- More than 3,000 exhibitors
- Exhibition space: 300,000 m²
- Visitor registration expected to be open from mid-August

The 10th international trade fair for construction machinery, building material machines, mining machines and construction vehicles will take place as planned from November 24 to 27, 2020 at the Shanghai New International Expo Centre (SNIEC). More than 3,000 exhibitors are being expected.

China's economy is recovering apparently from the coronavirus shutdowns, and trade fairs are key to rebuilding economies.

China unveiled a series of economic stimulus policies and the investment in infrastructure is expected to increase by 10%. Thanks to this, it is estimated that the growth rate of China's construction machinery industry will reach 10% this year. These figures were published by the Shanghai Securities Co., Ltd.

Preventive rules at the exhibition grounds

The health and safety of exhibitors, visitors and partners will continue to be top priority. The notice and guidelines of preventing and controlling the epidemic on organizing exhibitions published by Shanghai Municipal Commission of Commerce and Shanghai Convention & Exhibition Industries Association will be strictly followed during the show, the various prevention and controlling security measures will be effectively implemented to ensure the safety and orderliness of the exhibition. This includes besides the insurance of venue sanitary and

bauma NETWORK: Six construction machinery trade fairs of Messe München.

In addition to the world's leading trade fair bauma, Messe München has extensive skill in organizing additional international construction machinery trade fairs. For example, Messe München organizes bauma China in Shanghai and bauma CONEXPO INDIA in Gurgaon/Delhi together with the Association of Equipment Manufacturers (AEM) as well as the bauma CONEXPO Africa in Johannesburg. In December 2015, Messe München successfully expanded its portfolio further with the purchase of the leading Russian construction machinery trade fair CTT, now renamed bauma CTT RUSSIA. In March 2017, the bauma NETWORK was again expanded with M&T EXPO in the form of a license agreement with SOBRATEMA (Brazilian Association of Association of Technology for Construction and Mining).

Messe München

Messe München is one of the world's leading networking platforms. In a reflection of the slogan "Connecting Global Competence," Messe München serves as a global networking platform and brings together decision makers from all parts of the world. Messe München's portfolio comprises more than 50 trade fairs for capital and consumer goods as well as new technologies that focus on the latest social issues. These trade fairs include the world-leading trade fairs bauma, BAU, IFAT and ISPO Munich. The roughly 200 events organized by Messe München each year attract about 50,000 exhibitors and 3 million visitors.

Messe München has one of the most modern exhibition grounds in the world and with its four locations in Riem, the ICM – Internationales Congress Center München, the MOC Veranstaltungszentrum München, and the Conference Center Nord, is able to fulfill all its customers' requirements individually. Messe München is very successful in its domestic market in Munich as well as in other countries. It is active in all important growth markets: China, India, South Africa, Brazil, Russia and Turkey. Overall, Messe München, with its network of associated companies and foreign agencies, is present in more than 100 countries.
